Read Who Says So. FROM THE HON. THOS. B. FLORENCE.

Gentlemen—Having stated it verbally to you, I have no heatation, in writing the fact, that I experienced marked benefit from your Hoofland's German Bitters. During a long and tedious session of Congress, pressing and onerous duties nearly prostrated me. A kind friend suggested the use of the preparation I have named. I took his advice, and the result was improvement of health, renewed energy, and that particular relief I so much needed and obtained. Others may be similarly advantaged if they desire to be. Truly, your friend.

From John B. Wickersham, Esq., firm of Wickersham & Hutchinson, the celebrated Manufactur-ers of Fancy Iron Works, 259 Canal Street. I am the recipient from you of one of the greatest favors that can be conferred upon man, viz: that of health. For many years have I suffered from one of the most annoying and debilitating complaints that the human family can be afflicted with, Chronic Diarrhea. ily can be afficted with, Chronic Diarrhea.

During the long time I was suffering from this disease
I was attended by regular physicians, giving me but
temporary relief. The cause seemed to remain until I
was induced to try Hoofland's German Bitters. After the
use of a few bottles of that invaluable medicine, the com-FOR SALE—a Spiendid Farm, one mile south of Fremont, of 122 Acres. 100 acres improved, the balance timber. Messrs. Jones & Evans—Gentlemen:—My mother-inlaw has been so greatly benefitted by your Hoorland's
German Bitters that I concluded to try it myself. I find
it to be an invaluable tonic, and unbesitatingly recommend it to all who are suffering from Dyspepsia. I have
had that disease in its most obstinate form—flatulence—
for many vers. and your Bitters has given many charge. for many years, and your Bitters has given me ease when every thing else has failed. Yours, truly. JULIUS LEE.

tlemen:—in reply to your inquiry as to the effect ced by the use of Hoofland's German Bitters, in my produced by the use of Hoofland's German Bitters, in my family, I have no hesitation in saying that it has been highly beneficial. In one instance a case of Dyspepsia of thirteen years standing, and which had become very distressing, the use of one bottle gave decided relief, the second effecting a cure, and the third it seems has confirmed the cure, for there has been no symptoms of its return for the last six years. In my individual use of it, I find it to be an unequalled tonic, and sincerely recommend its use to sufferers. Yours, truly,

JACOB BROOM, 1707 Broom Street.

From Rev. W. D. Seigfried, Pastor of the 12th aprilet Church. Messrs. Numerous remedies were recommended by friends, and some of them tested, but without relief. Your Hoof-land's German Bitters were recommended by persons who had tried them, and whose favorable mention of the Bitters induced me also to try them. I must confoss that I had an aversion to Patent Medicines, from the "thousand had an aversion to Patent Medicines, from the "thousand and one" quack "Bitters," whose only aim seems to be to paim off sweetened and drugged liquor upon the community, in a sly way; and the tendency of which, I fear, is to make many a confirmed drunkard. Upon learning that yours was really a medicinal preparation, I took it with happy effect. Its action not only upon the stomach but on the nervous system, was prompt and gratifying. I feel that I have derived great and permanent benefit from the use of a few bottles. Very respectfully yours,
